

Title: *The Easter Bunny and the Little Bird*

Story (Simple English):

Once upon a time, there was a kind goddess named **Eostre** . She loved spring. One day, she found a little bird . The bird was cold. Its wings were frozen  and it could not fly.

Eostre said:

“Oh no! Poor bird! I will help you.”

She used her magic . She turned the bird into a bunny  — a very fast bunny!

But guess what? The bunny could still lay eggs! Colorful, beautiful eggs !

Eostre said:

“Go and make children happy! Hide the eggs!”

Now every spring, the bunny brings eggs for children to find.

It's the Easter Bunny!
